Summary

Second-year B.Tech IT student at DJSCE with a 9.61 CGPA and strong foundations in data structures and algorithms. Practicing regularly on LeetCode, solving 40+ problems while focusing on writing time- and space-efficient solutions, and learning from optimal approaches to continuously improve. Actively practicing competitive programming on CodeChef to strengthen problem-solving skills. Eager to apply algorithmic thinking and programming expertise in software development internships that address real-world challenges.

Education

Dwarkadas J. Sanghvi College of Engineering | B. Tech in IT | 9.61 CGPA — 2024-2028

Don Bosco Jr College | HSC in Science (PCMB) | 85.33% — 2021-2023
